Fluid Engineering, Inc.

Industrial Process Equipment & Systems

INDUSTRIAL VENTILATION

- Cartridge Dust Collectors
- Baghouse Dust Collectors
- Mist & Smoke Collectors
- Filters and Parts for ANY Dust Collector

- Centrifugal Fans
- Wall Fans
- Powered Roof Ventilators
- Tubeaxial & Vaneaxial Fans
- Pressure Blowers
- Fiberglass Fans
- Mancoolers
- Air Make-Up Units
- Marine Duty Fans

- Cyclones
- Scrubbers
- Thermal Oxidizers
- Coalescing filters
- Clamped Duct

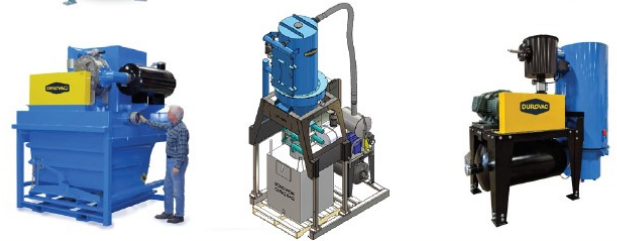

MATERIAL HANDLING

- Dilute, Dense & Eco Phase Conveying
- Rotary Valve/Airlocks
- Bulk Material Unloading
- Custom Packaging & Container Equipment

- Explosion Protected Vacuums
- Continuous Duty Vacuums
- Central Vacuum Systems
- Wet/Dry Portable Vacuums

EXPLOSION PROTECTION

- Chemical Isolation & Suppression
- Mechanical Isolation
- Rupture Disks
- Flameless Vents

PUMPING EQUIPMENT

- Paper Stock Pumps
- ANSI Process Pumps
- Mixers & Agitators
- API Process Pumps
- Submersible Wastewater Pumps

- Fiberglass Mag-Drive ANSI Pumps
- Fiberglass Vertical Pumps
- Fiberglass ANSI Horizontal Pumps
- Fiberglass ANSI Self-Priming Pumps

- Air Operated Diaphragm Pumps
- Wastewater Pumps

- Macerators
- Progressive Cavity Pumps
- Metering Control Pump Systems

- Rotary Lobe Pumps
- Heavy Duty Gear Pumps
- Lube Oil Gear Pumps
- Metering Gear Pumps

- Chemical Metering Pumps
- Controllers & Sensors
- ClO₂ & Ozone Generators
- Custom Skids

- ANSI Self Priming
- Teflon Lined Mag Drive Pumps
- Multi-Stage Centrifugal Pumps
- Stamped Stainless Steel Pumps
